

MAKING TE WHĀRIKI VISIBLE

This Ministry of Education funded Professional Learning Programme will include Saturday Inspiration Days, Online Webinars, Online Meetings & discussions.

Strengthening Early Learning Opportunities (SELO) Programme

Ehara taku toa i te toa takitahi, engari, he toa takitini
My strength is not that of an individual, but that of the collective

We are excited to offer your team the opportunity to conduct a long-term strategic Internal Evaluation into strengthening the delivery of Te Whāriki; a bi-cultural curriculum.

Throughout this programme we will provide opportunities to review, evaluate and strengthen the notion of making curriculum, teaching and learning visible to children, whānau and teachers in your setting. There will also be ongoing opportunities to document shifts in thinking and teaching practice.

POTENTIAL OUTCOMES:

These are potential outcomes. Individual internal evaluation questions will be developed depending on your setting's requirements.

- Internal Evaluation and documentation
- Te Tiriti o Waitangi: Bi-cultural Curriculum
- Te Whāriki: The whakapapa, the weaving
- Te Whāriki: Whakatauki wisdom from the past guiding our practice into the future
- Te Whāriki: Assessment Planning and Evaluation
- Kaiako Responsibilities
- Respecting Infants
- Pathways to School and Kura
- Play values Learning Environment - including a visit to inspiring ECE settings

PROGRAMME OUTLINE:

- Saturday Inspiration Days for everyone (dates TBC)
- Online support meetings
- Online webinar series, developed around a range of topics in relation to the internal evaluation questions that have been developed
- Presentation mornings towards the end of the programme

Fully funded by the Ministry of Education, proudly delivered by Educational Leadership Project
